

# Company Profile

Borosilicate glass drinkware and kitchenware supplier

Yubai Glass Products Co., Ltd. specializes in borosilicate glass drinkware and kitchenware. Our main products include glass cups, tumblers, double-wall cups, straw cups, storage jars, pitchers, French presses, measuring cups, and other daily-use glassware.

Borosilicate glass offers high transparency, good heat resistance, and strong thermal shock resistance. It is suitable for both hot and cold drinks, with temperature difference resistance up to 140°C.

We support product development, customization, quality control, and bulk order solutions for importers, wholesalers, retailers, and e-commerce brands.

## Key Strengths
